Installation instructions

ORLLM214

ALUMINIUM 24W LARGE PROJECTOR

WIRING INSTRUCTIONS

We recommend that this product is installed by a competent person in accordance with the latest edition of the IET Wiring Regulations BS 7671 Requirements for Electrical Installations and the Buildings Regulations, as may be applicable subject to the location and country of the job or installation.

For more information and installation guide lines please refer to Guide on Lighting Risks and Regulations which can be downloaded from the website:
https://www.orlight.com/content/files/orlight/resources/Guide_on_Lighting_Risks_and_Regulations_2020.pdf

INSTALLATION - Orlight does not recommend cutting of holes prior to receipt of product in hand. Please see reverse for full instructions.

*** Please note, all information contained within this instruction manual is provided in good faith. We will not be held responsible for any losses incurred as a result of any inaccuracies contained within this document.**
