

Ref:

ORL6009-COLLAR

Item No: DOWNLIGHT COLLAR – 13649

orlight[®]
FROM SOURCE TO SITE

Secondary downlight retaining collar. Early installation allows clean first fix cut outs and wiring completion. The collar locates perfectly into a rebate in the downlight bezel to ensure a flush finish with the ceiling face. 6009 & 6019 downlights are then easily installed at second fix ensuring a perfect finish.
